**Mesude Memishi Promoted to Vice President, Information Technology
at American Auto Guardian, Inc. (“AAGI”)**

Schaumburg, IL—American Auto Guardian, Inc. (“AAGI”) is pleased to announce the promotion of Mesude Memishi to Vice President, Information Technology.

Mesude is an IT professional with more than twenty years’ experience in managing and directing help desk operations, database administration, IT infrastructure operations and Enterprise Resource Planning (ERP) implementation.

In the three years’ of her employment with AAGI, Mesude and her team have examined, updated and in some cases completely overhauled some of the Company’s systems and processes. Mesude’s keen eye and diverse IT knowledge has assisted her in orchestrating automation and simplification of Company practices and to elevate AAGI’s use of emerging technology.
